

# **BHARATH MACHINES**

## **15 YEARS OF EXPERIENCE IN MANUFACTURING AND DELIVERING PAPER CUP MAKING MACHINES.**

During the year 1999, Bharath Machines started to manufacture paper cup machine to serve customers around the globe and still continuing their service and this proves their interest towards selling paper cup machine, paper plate machine etc., Being an Indian manufacturer for a decade, unlike importers of Chinese machines that market imported products and then disappear, we are here to stay and support our customers with prompt service. we are constantly upgrading our technology using the latest in components and launch newer models with newer technology for our customers.

We are the only ISO 9001:2015 certified company in India to produce quality paper cup making machine for more than a decade.

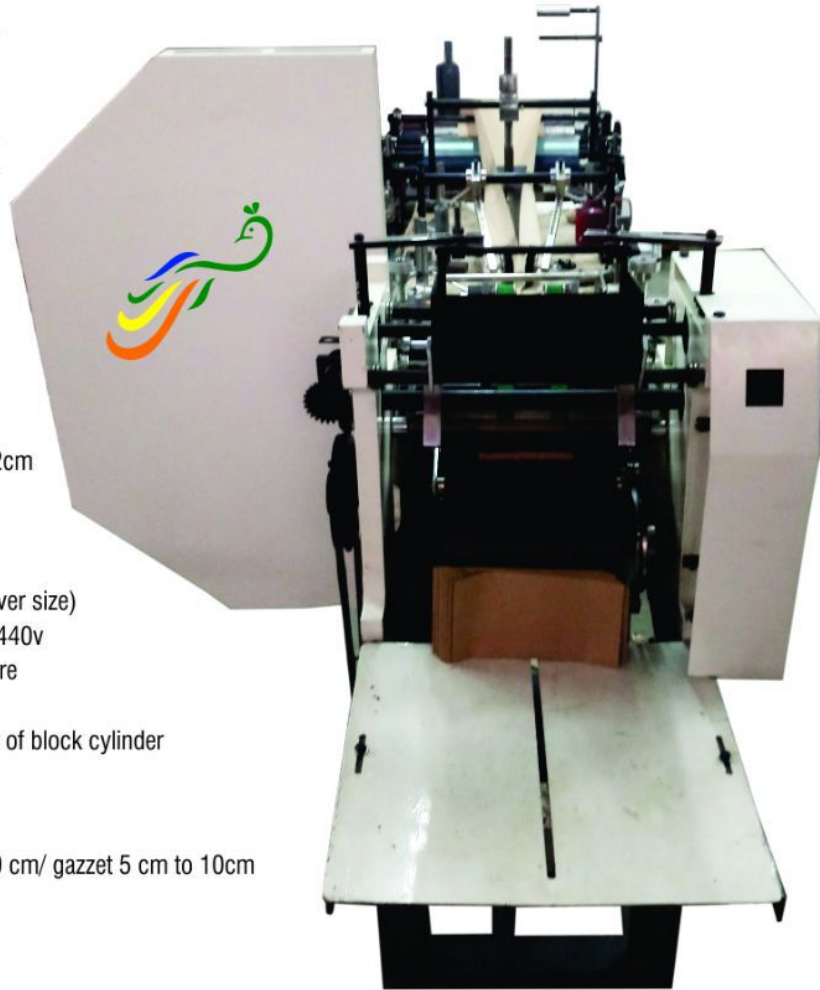

WHO WE ARE : ISO 9001-2015, ISO 9001-2015

### **MEDICINE COVER MAKING MACHINE**

Paper Cover Running Size	: Width 6cm to 15cm; Length 9cm to 22cm
GSM of the Paper	: 44gsm to 140gsm
BF Strength of the Paper	: 16bf to 34bf
Unwind Paper Roll Size	: up to 1000mm
Production Covers per Hour	: up to 14000 to 20000 (depends on cover size)
Motor	: 2h.p 3phase induction motor 230v(or)440v
Drive System	: AC drive 440v (or) 230v as/your require
Total Power	: 2h.p/440v (or) 230v
With 2 Color Flexo Printing	: 2 set of anilox and rubber rollers/ 1 set of block cylinder
Counting System	: Digital Counter with batch counting

### **BAKERY COVER MAKING MACHINE**

Paper Cover Running Size	: Width 6cm to 18cm; Length 9cm to 30 cm/ gazzet 5 cm to 10cm
GSM of the Paper	: 44gsm to 140gsm
BF Strength of the Paper	: 16bf to 34bf
Unwind Paper Roll Size	: up to 1000mm
Production Covers per Hour	: up to 14000 to 20000 (depends on cover size)
Motor	: 2h.p 3phase induction motor 230v (or)440v
Drive System	: AC drive 440v (or) 230v as/your req
Total Power	: 2h.p/440v (or) 230v
Counting System	: Digital counter with batch counting

## SHOPPING BAG MAKING MACHINE

## TECHNICAL SPECIFICATIONS

Paper Cover Running Size	: Width 12cm to 42cm; Length 15cm to 60 cm / gazzet 5 cm to 15cm.
GSM of the Paper	: 44gsm to 140gsm
BF Strenth of the Paper	: 16bf to 34bf
Unwind Paper Roll Size	: up to 1000mm
Production Covers Per Hour	: up to 6000 to 10000 (depends on cover size)
Motor	: 2 hp 3phase induction motor 230v (or) 440v
Drive system	: AC drive 440v (or) 230v as/your requirement
Total power	: 2h.p/440v (or) 230v
